

Short Term Training Courses and Study Tours in Agriculture

**Short Term
Training Courses**

Study Tours

CBN International specializes in organizing short term training courses and study tours for government, semi government officials and elected representatives. To-date CBN has conducted a large number of programmes in agriculture.

Over the past fifteen years more than 3500 Asian and African high government officials and elected representatives have participated in CBN programmes. Past participants have included Ministers, Governors, Mayors, Councilors, Bureaucrats, Commissioners, Director Generals, Officers, Administrators and Professionals.

CBN International is able to conduct training and study tour programmes on various topics at short notice in different countries.

To attend one of the CBN scheduled programmes or request for a tailor made short term training and/or study tour please contact:
